The bill introduced by the Hon. Clarence B. Graves, of Madison county, in the House of representatives, making it a felony to illegally sell whiskey, was favorably reported this morning by a unanimous vote of the committee on temperance, to which it had been referred. This is one of the best bills that has so far been introduced and will go a long way towards breaking up the illicit sale of whiskey. The bill provides that the first offense carries with it a fine of not less than \$25 and sixty days on the county farm, while the second offense carries with it a penalty of two years in the state penitentiary. — Jackson News.

Watches Of Worth At a Saving

We sell watches, jewelry and diamonds to people of the entire South. Our trade is founded on confidence, because we decline to handle unknown or inferior goods. Our watch movements are made for us by the Elgin Watch Company and are guaranteed by them and by us. In filled cases we handle high grade products only, such as the "Crescent" and "Jas. Ross." We sell you watches that have stood the test of time, and which embody new ideas found only in the movements and cases made to our order. Buying in wholesale quantities, we make savings which our customers in turn secure. Any watch bought of us will cheerfully be bought back if not found more than satisfactory. We send watches on approval anywhere.
